(FARMERS TRANSFORMATION & REVENUE MULTIPLICATION THROUGH COMMERCIAL CULTIVATION)

(This calculation based on minimum yielded Velvet crop)

Gram Project Co-ordinator: Having 10 Farmers, only and each Farmer will get Two Hundred (200) Seeds of Velvet. Velvet Seeds from each Velvet Plant - 3 kg. x 200 plants = 600 kg, production of a farmer up to ten to eleven months, probably and it will be marketed at @ Rs.200/- per kg. x 600 kg. = Rs. 120000/-. Thus, 600 kg, Velvet Seeds of a Farmer x 10 Farmers= 6000 kg, from 200 Velvet Plants of 10 Farmers of a Gram Project Co-ordinator's Incentive - On 6000 kg, @ Rs.25/- per kg. --- Rs.150000/- (In a Lumps sum Amount)

Block Project Co-ordinator - Having 10 Panchayats of a Block but number of Agriculture Assistant shall be one on every Panchayat of a Block. Production of Velvet Seeds of a Agriculture Assistant on Panchayat level. 6000 kg, consequently quorum of farmers for a Block Project Co-ordinator will be minimum 10 Agriculture Assistant. Incentive - On 60000 kg, Velvet Seeds @ Rs.10/- per kg. --- Rs.600000/- (In a Lumps sum Amount)

District Project Co-ordinator - Having minimum 10 Blocks of a District (100 Agriculture Assistant) Incentive - On 600000 kg, Velvet Seeds @ Rs. 8.00 per kg. --- Rs.4800000/- (In a Lumps sum Amount)

State Project Co-ordinator - Having minimum 2000 Panchayats (20 Districts) jurisdiction of a District Co-ordinator. Velvet Seeds of Velvet Plants from farmers accordingly. Incentive- On 1200000 kg, Dry Vanilla Beans @ Rs. 5.00 per kg. --- Rs. 6000000 /- (In a Lumps sum Amount)

Note :- To get declared incentive at different scope level, it will be compulsory for each volunteer to maintain quorum of farmers with cultivation at their jurisdiction level. Because in absence of quorum of volunteers and farmers you will be deprived from any benefits which you should receive. Incentive of volunteers will be fluctuative according toeless and excess number of farmers, market price & production. In case of non-cultivation non-production of Velvet Seeds and failure of the programme, no any declared incentive will be provided to volunteers.

Cultivation time April to June and harvesting November January.

Go to ahead and earn more thank you.
