OUR AIM & AMBITIONS TOWARDS MEDICINAL PLANTS CULTI VATION & SELF-EMPLOYMENT MEDICINAL PLANT (श्रम नियोजन कार्यक्रम) VANILLA CULTIVATION

Gram Project Co-ordinator: Having 10 Farmers, only and each Farmer will get Twenty (20) Vanilla Plants. Dry Vanilla Beans from each Vanilla Plant - 1 kg. x 20 plants = 20 kg, production of a farmer up to twenty four months, probably and it will be marketed at @ Rs.15000/- per kg. x 20 kg. = Rs. 300000/- but a farmer will get 50% less of market-price. Thus, 20 kg, dry vanilla beans of a Farmer x 10 Farmers= 200 kg, from 200 Vanilla Plants of 10 Farmers of a Gram Project Co-ordinator's Incentive - On 200 kg, @ Rs.1000/- per kg. --- Rs.2,00,000/- (In a Lumps sum Amount Yearly after harvesting)

Block Project Co-ordinator - Having 10 Panchayats of a Block but number of Gram Project Co-ordinator shall be one on every Panchayat of a Block. Dry Creeper production of Vanilla Plants of a Gram Project Co-ordinator on Panchayat level. 200 kgs, consequently quorum of farmers for a Block Project Co-ordinator will be minimum 10 Gram Project Co-ordinator. Incentive - On 2000 kg, Dry Vanilla Beans @ Rs.200/- per kg. --- Rs.4,00,000/- (In a Lumps sum Amount Yearly after harvesting)

District Project Co-ordinator - Having minimum 10 Blocks of a District (10 Gram Project Co-ordinator) Incentive - On 20,000 kg, Dry Vanilla Beans @ Rs. 50.00 per kg. --- Rs.10,00,000/- (In a Lumps sum Amount Yearly after harvesting)

State Project Co-ordinator - Having minimum 100 Panchayats in a district jurisdiction of a State Co-ordinator will be 500 Panchayats. Number of plants in 5 District will be 1,00,000 approximately . Dry Vanilla Beans from Vanilla Plants produced by each farmers accordingly. Incentive- On 1,000,000 kg, Dry Vanilla Beans @ Rs. 12.00 per kg. --- Rs. 12,00,000 /- (In a Lumps sum Amount Yearly after harvesting)

Note :- 1. To get declared incentive at different scope level, it will be compulsory for each co-ordinators / volunteers to maintain quorum of farmers with cultivation at their jurisdiction level. Because in absence of quorum of volunteers, farmers, non chemicalisation and non mineralisation of land at district area level, not a single unit of vanilla plant will be delivered to farmers and cultivation will not be commenced. Incentive of volunteers will be fluctuative according to less and excess number of farmers, market price & production. In case of non-cultivation non-production of Pods and failure of the programme, no any declared incentive will be provided to co-ordinators / volunteers.

Go to ahead and earn more thank you.

Note: Above calculation based on minimum purchase rate.
